

Qualified Early Childhood Teacher

Are you ready for the challenge and a change? Our passion and belief is that every day will be the best day of our children's lives and that our teachers will work hard to make it happen! Are you ambitious, innovative and believe in fearless curiosity?

We are looking for a motivated, recently graduated or qualified early childhood teacher to join our fabulous team! You do not have to be a Pasifika early learning teacher, but you are willing to immerse yourself in a Pasifika early learning environment. Situated in Taita, Lower Hutt, on Taita Central Primary School grounds we are proud of our strong links within the community we live in. We are passionate about finding the right fit for our team and this includes finding the right teacher and we need someone who is equally passionate about early childhood education.

We are looking for;

- An experienced and innovative teacher with in-depth knowledge of curriculum design and assessment
- Someone who has an understanding of inquiry based programmes based on child-led interests
- A teacher who is organised and can take the initiative and think outside the square and on the go
- A teacher who loves to provide areas of cultural richness, curiosity and wonder within their environment and who will bring their best effort every day.

We value our team members and need someone to join us who has experience in ECE teaching and a passion for learning that continues through your own teaching journey and who wants to become part of something extraordinary. We offer a fun workplace, where smiles, laughter, and when we celebrate good health nutritious food. We provide an excellent contract including 4 hours non-contact a week. This position is from 9am-3.30pm based on 5 day a week role.

Applications close at 4.30pm on 18 October, Friday, 2019. Applicants for this position should have NZ residency or a valid NZ work visa.
