Objectives

As overarched by the Code of Professional Responsibility and Standards for the Teaching Profession, we are looking for educators who, by showing evidence in the Waipahihi Standards for our Teachers, can achieve these objectives:

1. You are child centred
2. You are a professional first
3. You are highly collaborative within a specific teaching team and beyond
4. You communicate effectively with everybody and are trustworthy and ethical

Cultural Capacities

We are searching for educators who have a cultural fit with Waipāhīhī School. We value the following key learning values as they define the culture we are building within our core principles and practices.
